**Request for Legal Staff Consideration**

Serial No. 09/254,578

Date: 9/30/99

Request: Should applicant be granted  
April 14, 1999 filing date?

Requestor Barbara

Supervisor D. Greene

Response: Since applicant did not request anything when  
he faxed in the present papers, issue the 903 with  
102(e) date of 21 May 1999. In order to grant a 14 April date  
we need either find his original papers filed 14 April or a statement  
from the attorney certifying that the papers submitted are  
three copies of what was submitted on 14 April 99 along with  
a request to the office to grant that date -
